You must be in possession of valid IFTA credentials (license and decals) or a properly completed California Fuel Trip Permit when entering or re-entering California. Failure to comply may result in the assessment of a penalty. The penalty may be calculated in one of two ways. First, if the Board of Equalization (BOE) determines an amount of tax due, the tax plus the greater of 25 percent of the tax, or \$500, will be imposed. Secondly, where the BOE does not determine an amount of tax due, the penalty is \$100. For each subsequent violation, \$100 will be added to the amount of the previous penalty until a maximum penalty of \$500 is reached. The penalty is in addition to the purchase of a California Fuel Trip Permit, which costs \$30.

IFTA credentials are valid until December 31 of the year they were issued, unless the credentials have been revoked, canceled, or suspended by the carrier's base jurisdiction. For carriers in good standing with their base jurisdiction (all reports are filed, all amounts due are paid, and a timely renewal is filed and paid), a two-month grace period is granted to display the current year decals. For example, carriers in good standing have until the end of February to display the current year decals. Carriers entering California on March 1 without displaying the current decals (or being in possession of a properly completed California Fuel Trip Permit) will be assessed the penalties as described above.

We encourage all carriers to keep their accounts in good standing, to renew their IFTA licenses timely, and to display the current year decals by the end of February. Many IFTA jurisdictions, including California, increase IFTA enforcement beginning March 1 of each year. Don't wait. Make sure you have the proper credentials for your vehicles.

If you have any questions, please contact the Motor Carrier Office at 1-800-400-7115 (TTY:711); from the main menu, select the option "Special Taxes and Fees" and the "IFTA, International Fuel Tax Agreement." Customer service representatives are available weekdays from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.
